Foreword Speech From

President of International Pencak Silat Federation (PERSILAT)

Mr. Prabowo Subianto

The objective of organizing **JUNIOR WORLD PENCAK SILAT CHAMPIONSHIP 2018** is mainly to gather all the Silat participants from all around the world and let them compete competitively while representing their own country.

After the previous management of Pencak Silat Association of Thailand hosted the **16th PENCAK SILAT WORLD CHAMPIONSHIP 2015** in Phuket, Thailand and now with the new line up of the management I would like to convey a heartiest congratulation to Pencak Silat Association of Thailand (PSAT) and the organizing committee for the spirit to take up and host **JUNIOR WORLD PENCAK SILAT CHAMPIONSHIP 2018** which will be held in Songkhla Rajabhat University Songkhla, Thailand.

Songkhla is one of the southern provinces of Thailand. In the north of the province is Songkhla Lake, the largest natural lake in Thailand. Despite being smaller than the neighboring city Hat Yai, Songkhla is the capital of Songkhla Province as well as the Mueang Songkhla district (Songkhla town district). Due to its location at the opening of Songkhla Lake to the Gulf of Thailand, Songkhla is a fishing town and also an important harbour. It is the major seaport on the east side of the Isthmus of Kra.

As this is another platform to promote the sport of Pencak Silat to the world, the association is making a commendable move and I believe the world is looking forward to the championship. I wish to thank Pencak Silat Association of Thailand for taking a step and being pro-active towards the development of the sport in and hosting it in a humble island. Hopefully, Pencak Silat Association of Thailand will set an example to all other Pencak Silat Association and federation in the world to inspire them to organize more sporting events in order to promote the sport and bringing Pencak Silat to another level in the world.

Lastly I would like to extend a very warm welcome to all the participants and teams. The camaraderie and relationship, as well as collaborations you formed here will help bond the fraternity of Pencak Silat in the world. I wish all participants the best of luck and may the best country win!

Welcome Remarks From
President Pencak Silat Association of Thailand
